

CHRISTMIND DYNAMICS®

REUNITING WITH THE PRESENCE AFFIRMATIONS

BY DR. PAUL LEON MASTERS

"ILLUSIONS AND REALITIES OF LIFE"

APPEARANCES... "My personal-ego-intellectual mind may only be able to see the sensory ILLUSION of something in the physical world -- while the CHRISTMIND part of my consciousness, ONE WITH GOD'S PRESENCE within me, can see beyond any physical appearances to the REALITY of what really is."

GOOD AND BAD... "What may APPEAR bad to begin with may only be an ILLUSION, blocking out the REALITY of good that will come about as a result."

SHORT AND LONG TERM... "On a short-term basis, anything may give an ILLUSION of good or bad, while the REALITY of whether it is ULTIMATELY good or bad can only be KNOWN on a LONG-TERM BASIS."

ONE LIFE... "The physical life APPEARANCE ILLUSION is that there are many lives on the planet, while the REALITY is that there is ULTIMATELY only ONE LIFE -- that of GOD in the ENTIRE UNIVERSE."

EXISTENCE... "The ILLUSION is that only this one lifetime exists for humans, while the REALITY is that EVERYONE is INSEPARABLE from ETERNITY -- or GOD'S PRESENCE and, therefore, lives on ETERNALLY."

PERSONAL-EGO-INTELLECTUAL IDENTITY... "The ILLUSION is that every human being seems to be a separate entity, while the REALITY is that ONLY GOD'S LIFE EXISTS hidden within, and MANIFESTS in the ILLUSION of separate existences or humans."

LOVE OR ?... "The ILLUSION is that LOVE might be existing between two people -- but the REALITY is that NEED and LUST are POSING as LOVE unless the LOVE of the ONE LIFE of GOD flows between the two persons."

ALONENESS... "The ILLUSION is that you are ALONE unless you are with another person -- while the REALITY is that you are ALWAYS in the COMPANIONSHIP of the ONLY PRESENCE that REALLY EXISTS -- GOD'S LIFE within and a part of you."

KARMA... "The ILLUSION is that one can escape the results of negative actions, or fail to reap the rewards of positive action -- while the REALITY is it's only a MATTER OF TIME when the KARMIC RESULT materializes."

SPIRITUALITY... "The ILLUSION is that a person GROWS SPIRITUALLY, while the REALITY is that they RE-AWAKEN to what they ALREADY ARE on whatever level of SPIRITUAL REALITY that might be."

TRUE WEALTH... "Wealth is not the ILLUSION of what is contained in one's purse or wallet -- but in warmth, joy and love of the SPIRITUAL HEART SHARED with GOD'S PRESENCE."
