

Transcendent Christ Mind Science

REUNITING WITH THE PRESENCE AFFIRMATIONS

BY DR. PAUL LEON MASTERS

Repeat the following Inner Synthesis Affirmations to yourself at least once daily, preferably spoken, if possible. After speaking or thinking each affirmation, close your eyes momentarily and feel the reality of the Affirmation traveling into every level of your mind while merging and synthesizing with the center—THE PRESENCE, UNIVERSAL MIND OR GOD WITHIN YOU. The following Self-Programming Universal Mind Synthesis Affirmations are based on a Christ-Mind Spiritual Psychology Lecture on:

"MAXIMIZING YOUR POTENTIALS"

MEDITATION... "Through my daily practice of meditation, I establish and maintain contact with God's Presence within me, which is the source of all my potentials."

WILL... "Daily I release my personal will to God's Will within me, and in so doing open the conscious level of my mind to a greater flow into my thoughts of my soul's purpose in this lifetime, in tune with my potentials to accomplish what I need to."

RECOGNITION... "I recognize that God's Presence is the ultimate life of my beingness, and that to turn over my personal will to God's Will is, in reality, turning over control of my life and potentials to my true Christ Oneness of Consciousness with Universal Mind, or God."

VISUALIZATION... "I take a few moments daily to visualize the interior of my body on a spiritual level as filled with God's Light Presence, from which all my potentials emerge into my outer mind/body beingness."

LOVE... "By letting God's Love flow through me, love's presence is maximized in my life."

HEALTH... "By letting God's Presence of Light be in every cell of my body and in all levels of my mind within my consciousness, I maximize health and healing throughout my body and mind."

PROSPERING... "In my oneness with God's Presence within me, I have all the potentials that are necessary to prosper in this life and through eternity."

WITHIN ME... "All the dynamics of God's Presence to create the universe are within me to maximize my potentials in this life and through eternity."

SELF-REALITY... "I declare that good things in my life are maximized through the Presence of God in me."
